## Scholarship Application Guidelines

---

**Purpose** -To allow every child the opportunity to participate in recreational activities regardless of household financial conditions. The International Indoor Soccer Arena & Lil' Kickers is determined to lower the cost of recreational opportunities for children whose families have demonstrated financial needs.

**Who Qualifies?** - Any youth, age 18 and under, participating in recreational soccer through the IISA or Lil' Kickers. Scholarships are need based; please note that some financial information may be requested.

### Scholarship Requirements

•Individuals are eligible to receive a full or partial program fee scholarship if they can demonstrate financial need and provide documentation. Our goal is to make recreational soccer available to anyone in the community.

### Application Process

1. Complete the Scholarship Application Form, which must be signed by a parent/guardian.
2. A member from the IISA management team will contact you after receiving your application with the results of your application.
3. Scholarship application approval will be based on verification of financial need and availability of scholarship funds.

### Other Important Information

- Scholarship amounts are based on total family size and total family income level. Families are defined as parent(s)/ guardian(s) and dependents all living at the same address.
- Scholarships will only be granted for IISA or Lil' Kickers soccer registration fees.
- Completing a Scholarship Application DOES NOT register a child for a program. Please complete registration separately for the activities in which you are interested in having your children participate.
- Scholarships will be provided on a first-come, funding and space available basis.

**Confidentiality** – *The International Indoor Soccer Arena and Lil' Kickers will use the information on the application only to decide if your child qualifies to receive a scholarship for eligible athletic activities. Confidentiality will be maintained at all times. Applicants are guaranteed that personal finances will not be discussed outside of the department management.
